Mission:

The Peterborough Town Library champions literacy and encourages life-long learning by providing resources that enrich, educate, and entertain. We strengthen our community by promoting connections between people, ideas, and knowledge.

Our Vision for Peterborough

Our vision is to support a community where all people are encouraged to explore new ideas, contribute to the community, and have opportunities for success, growth, and joy.

Focus Areas:

1. Champion literacy in all forms.
2. Support Community Connections
3. Strengthen visibility and usage of the library
4. Develop and empower staff to excel in their work
5. Maintain a committed and engaged Board of Trustees
6. Support the 1833 Society in fulfilling our vision for a new and renovated Library for the Future for Peterborough

Hours of Library operation:

Monday, Wednesday, & Friday- 10:00 AM- 6:00PM
Tuesday and Thursday – 9:00AM-8:00PM
Saturday – 10:00AM – 4:00 PM

Inclement Weather Closing Policy:

In order to provide the best service, the Town Library is open scheduled hours whenever possible. The library will make every effort to follow the recommendations by the Town Administrator regarding weather closures. During times when the Town House is not open or extenuating circumstances exist, the Director may elect to recommend a delayed opening, closing early, or close for the entire day. In the absence of the Director the senior staff member may make the decision if unable to contact the Director. Such decisions should take into consideration the recommendation of the town; the condition of the parking lot, walkways and stairs; the current weather conditions; and forecast. The Chair of the Board of Trustees must be contacted to approve the decision to close. If not available, any member of the Board may be contacted for approval.

Local media should be notified.

The library website and Facebook should be updated.

The Town House and Police Department should be notified.

A report of any closures should be presented by the Director at the next Board meeting.

If the Library is closed early by the Town Administration or the Library Board, the employees scheduled will be paid for their entire shift. If a library employee chooses to leave or not come in as regularly scheduled due to weather concerns, they must take vacation time or unpaid leave, as approved by the Director.

Inclement Weather Notification Procedure for Library Staff:

In the event of an unscheduled closing due to inclement weather or other emergency, every effort will be made to post a notice of library closing before 9:00 AM.

All possible means of communication will be used including but not limited to:

- Phone/Text messages
- The Library website
- The Town website
- Social Media
- Television: WMUR-TV News9

Behavior Policy for Library Users

Policy Statement:

Our mission is to champion literacy and encourage life-long learning by providing resources that enrich, educate, and entertain. We strengthen our community by promoting connections between people, ideas, and knowledge. To accomplish our mission, it is important we maintain a welcoming and safe environment on the library campus. This policy is intended to protect the rights and safety of library patrons, to protect the rights and safety of staff members, and to preserve and protect the library's materials, facilities, and property.

Definition and Scope:

Patrons who exhibit disruptive behavior in the library will be asked to follow the rules listed in the behavior policy. Patrons who continue to cause disruptive behavior will be asked to leave the library premises.

Disruptive Behavior is generally defined as “any patron behavior that interferes with the normal operation of the library or which interferes with another patron's ability to use the library.”

The library staff shall have the responsibility for enforcing the Behavior Policy and determining when behavior in the library is inappropriate.

The following actions are examples of conduct not allowed on Library property:

- Refusal to follow reasonable direction from Library staff, including but not limited to leaving the Library during normal closing procedures.
- Any behavior that endangers the safety or health of others.
- Violation of any local, state, or federal law.
- Vandalism or deliberate destruction of library materials.
- Theft of library materials or the personal property of other patrons and staff.
- Use of abusive or intimidating language or gestures to patrons or staff members.
- Behavior that is willfully annoying, harassing, or threatening to another person.
- Soliciting of any kind and/or asking for signatures on petitions at the library.
- Leaving children under the age of ten (10) unattended by a parent, guardian, or caregiver.
- Interfering with Library staff's performance of their duties.
- Loud talking, laughing, or using audio equipment or cell phones that disturbs or could disturb other patrons.
- Use of alcohol, cigarettes, or illegal substances in the library.
- Poor hygiene that interferes with another patron's ability to use library services
- Using the public restrooms in any manner that is not usual or customary
- Other kinds of behavior deemed inappropriate in the opinion of the Director or designated staff members.

The library staff reserves the right to ask a patron to leave the library for any of the reasons listed above.

Procedure:

Enforcement of these regulations may take the form of any of the following, depending on the severity of the violation, which will be determined by the staff on duty at the time. These disciplinary procedures are guidelines. The library may implement any procedure listed, including an immediate ban from the library premises at any time.

- Initial warnings (up to two), given copy of the **Behavior Policy**.
- Library privileges suspended for one day.
- Library privileges suspended for seven days.
- Library privileges suspended for up to one year.
- All suspensions will be documented by incident report and approval by the Library Director.

Safe Child Policy

The Peterborough Town Library provides an array of services to children from babies to tweens. The library offers story hours, internet access, homework help, and advice on books to read, along with other educational and entertaining programs. The children's collections hold a wide assortment of fiction, folktale, picture books, nonfiction, audiobooks, movies, reference materials, and public computers. The children's spaces are reserved for children, their parents, guardians, teachers, and caregivers, and people researching children's literature.

The library encourages frequent visits by children and their families. However, library staff cannot provide child care or assume responsibility for children's safety. Parents, guardians, teachers and caregivers, not library staff, are responsible for the behavior and safety of children visiting the library. Staff cannot be placed in the position of supervising unattended children.

Children under the age of ten (10) must be accompanied by a parent or guardian. Parents may visit other areas of the library while a child attends a library program, but they must be close at hand when the program is finished.

Children are expected to behave in a manner conducive to maintaining an appropriate atmosphere in the building for all patrons. (Please refer to the Behavior Policy.)

Children must know how to reach an adult in case of an emergency, and both children and adults need to be aware of library hours.

Unattended Children

An unattended child is a child under the age of 10 who is apparently unaccompanied by a responsible adult. Parent, guardians, teachers and caregivers must be close at hand and may not leave children alone or in the care of other children who are unable or unwilling to provide adequate care.

As in all public places, "stranger danger" and safety is a real concern. As with any valuables, do not leave your child unattended.

If the Library is closing, at a regular time or in an emergency situation, and a parent or guardian of a child cannot be located in the building, the Peterborough Police Department will be called to assist with locating a parent or guardian.

Approved November 30, 2017

Public Computer Use Guidelines

Purposes and Priorities

Parents or other legal guardians are responsible for their children's use of the Internet in the library, just as they are for their use of materials in the library's collections. We urge parents to supervise their children's use of the Internet.

You may not use the library's computers for any illegal purposes including unauthorized access, activities to disrupt the network, users, or equipment, software piracy, or transmission of copyrighted materials without approval. These activities are not protected by the library's privacy policy.

You are expected to engage in responsible, ethical use of the Internet which includes not sending, receiving, printing, or displaying text or graphics which may reasonably be construed as obscene or objectionable to library users or staff and which therefore create a hostile environment. If a library staff person asks you to stop viewing a site that is creating a hostile environment, you are expected to comply promptly and not to view the same or similar sites again.

Due to circumstances beyond our control, there may be times when access to the Internet is not possible. We remind users that confidentiality and privacy cannot be guaranteed when using email and the Internet.

Using Terminals

Please limit your time to one hour if others are waiting. The library takes measures to protect your privacy when you use library computers. All files saved to the hard drive and all internet browsing history are deleted periodically. You must save your work to a flash drive, cloud based account, or by emailing it to yourself.

Please remember to log out of any accounts. The library is not responsible for any information you leave accessible to the next user.

Printing

Black and White printing is available. Printing is 15 cents per page – all print jobs go to the Konica Copier/Printer by the Help Desk.

Wi-Fi Access

Wireless access is available, please select ToP-Public. The password is guest123

You are responsible for your own computer. Peterborough Town Library staff members will be happy to assist you but we will not adjust settings or make any changes to your computer. Users should be aware that Wi-Fi networks are not secure and all necessary precautions should be taken to protect their equipment and data. Transferring personal data should be avoided.

Young Adult Area Policy

The Peterborough Town Library is committed to providing an inviting and safe space for teenage patrons to engage in individual and group activities. The social nature and unique characteristics of this age group require a separate space designed for their needs.

Rules:

The Young Adult area at The Peterborough Town Library is for youth ages 12-18. While patrons of all ages are welcome to browse and check out materials from the Young Adult Collection, the tables, chairs, and other furnishings within this area are exclusively for the use of young adults ages 12-18. Adult tutors who are currently working with teen students, adults accompanied by teens, and library staff may use the resources of the Young Adult area as needed. Unaccompanied adults may be asked by library staff to use the facilities, services and furnishings in the adult sections of the library.

The Library reserves the right to utilize the Young Adult area for programming and events. Young adults using the Young Adult area are expected to respect the overall library environment and may not engage in activities or communications that disrupt other library users or staff. All other library policies apply to the Young Adult room. Young Adults shall respect each other, library staff and other patrons in word and action. The Young Adult area should be used only for its intended purposes, therefore, no rough housing, running, hitting, spitting, public displays of affection, swearing, rude language, or sleeping will be permitted. Vandalism, theft, or damage to library property is a legal matter and the police may be notified.

Young Adults shall further respect the use of this area by cleaning up after themselves, discarding all trash, and returning materials to shelving carts. Food and drink are permitted.

Note to Parents: The materials available for borrowing in this room are intended for a young adult audience. Library staff will not censor a teen/child's selections. It is a parent's right and responsibility to monitor their child's use of the library and its materials.

Approved 10/26/2017

Volunteer Policy

The library welcomes volunteers. All volunteers are asked to fill out an application and sign the volunteer library agreement. Volunteers do not take the place of a staff person or complete duties listed in a staff person's job description. The volunteer program is in compliance with the New Hampshire Library Association Best Practices for Volunteers. (https://www.nh.gov/nhsl/documents/best_practice_volunteers.pdf)

Volunteers are involved in special tasks and projects to assist library staff. Examples of tasks include shelving materials, craft and bulletin-board projects, cleaning, assisting with book withdrawals, and program assistance.

Days and hours for volunteers are flexible, to be communicated between the volunteer and Volunteer Supervisor.

All adult volunteers (age 18 years of age or older) are required to have references and a criminal background check. Volunteers who are able to commit to serving for six months or longer are preferred.

All volunteers ages 10-17 will work directly with the Head of Youth Services on projects in the Youth Services Department. A Volunteer Agreement form, Youth Employment Certificate (ages 14-17 only) and Proof of Age must be on file for all youth volunteers.

Volunteers are expected to be responsible, respectful, self-disciplined, and timely. They must abide by workplace rules and safety practices. They must keep a record of hours spent at the site. Attendance at occasional Volunteer Update sessions is required.

Approved 10/26/2017

Security Camera Policy

Security cameras are used in selected public areas to enhance the safety and security of library users and staff by discouraging violations of the Library's Behavior Policy, to assist library staff in preventing the occurrence of any violations, and when necessary, to provide law enforcement assistance in prosecuting criminal activity.

Security Camera Locations

Reasonable efforts shall be made to safeguard the privacy of customers and employees. The video security cameras will be positioned to record only those areas specified by the Director, and will complement other measures to maintain a safe and secure environment in compliance with library policies. Camera locations shall not be changed or added without the permission of the Director. Cameras will not be installed in areas where staff and public have a reasonable expectation of privacy, such as restrooms or administration areas, nor are they positioned to identify a person's reading, viewing or listening activities in the library.

1. Video recording cameras will be used in public spaces of library locations to discourage criminal activity and violations of the Library's Behavioral Policy. The recording of audio is restricted under the Electronic Communications Privacy Act and will not be used.
2. Cameras may be installed in outdoor and indoor places where individuals lack a reasonable expectation of privacy. Examples include public common areas of the library such as parking lots, entrances, seating areas, service desks, and areas prone to theft or misconduct, or areas where money is stored or handled.
3. Cameras will not be installed in areas of the Library where individuals have a reasonable expectation of privacy such as restrooms, meeting rooms, collection areas, or private offices.
4. Signs will be posted at all entrances informing the public and staff that security cameras are in use.
5. Because cameras will not be continuously monitored, the public and staff should take appropriate precautions for their safety and for the security of their personal property. Neither the Peterborough Town Library nor the Town of Peterborough is responsible for loss of property or personal injury.
6. Recorded data is confidential and secured. Video recordings will typically be stored for no longer than 30 days. As new images are recorded, the oldest images will be automatically deleted.
7. Regarding the placement and use of the digital recording cameras, staff and patron safety is the first priority; protection of library property is of secondary importance.
8. Cameras are not installed nor will they be used for the purpose of routine staff performance evaluations.

USE/DISCLOSURE OF VIDEO RECORDS

1. Access to the archived footage in pursuit of documented incidents of injury, criminal activity or violation of the Library's Behavior Policy is restricted to designated staff: The Library Director and Assistant Library Director.
2. Designated staff members may also have access to real-time images, viewable on desktop monitors placed in secure areas to ensure private access. The frequency of viewing and the amount of video viewed will be limited to the minimum needed to give assurance that the system is working or to ascertain if footage is available relative to a specific incident.
3. Access is also allowed by law enforcement when pursuant to a subpoena, court order, or when otherwise required by law.
4. Video images will not be maintained, provided no criminal activity or policy violation has occurred or is being investigated.
5. Video records and still photographs may be used by authorized individuals to identify those responsible for library policy violations, criminal activity on library property or actions considered disruptive to normal library operations as delineated in the Library Behavior Policy.
6. In situations involving banned patrons, stored still images may be shared with staff system-wide. Shared images may remain posted in restricted staff areas for the duration of the banning period. After the banning period ends, these images will be archived in the Administrative Offices for 5 years.

UNAUTHORIZED ACCESS AND/OR DISCLOSURE

1. Confidentiality and privacy issues prohibit the general public from viewing security camera footage that contains personally identifying information about library users. If the Library receives a request from the general public to inspect security camera footage, they will be advised to file a police complaint.
2. A breach of this policy may result in disciplinary action up to and including dismissal. Any library employee who becomes aware of any unauthorized disclosure of a video recording and/or a potential privacy breach has a responsibility to immediately inform the Director of the breach.

DISCLAIMER OF RESPONSIBILITY

A copy of this policy may be shared with any patron or staff member upon request.

Questions from the public may be directed to the Library Director.

The Library disclaims any liability for use of the video data in accordance with the terms of this policy, given that the library is a public facility and the security cameras shall be limited to those areas where patrons and/or staff have no reasonable expectation of privacy.

Approved May 3, 2018

Research Policy

The McGilvray Room offers a reference collection of materials of interest to the local historian, genealogist, and patron interested in Peterborough history and culture. Included in the collection are New Hampshire town histories and texts, local newspapers on microfilm including the Peterborough Transcript, Monadnock Ledger, and The Monadnock Ledger-Transcript, Peterborough historical texts, Monadnock Region historical texts, and primary documents pertaining to the Peterborough Town Library history. A complete list of the collection is obtained by using the [library's automated catalog](#).

The earliest historical newspapers are indexed and fully searchable. The database is available online here: <http://peterborough.advantage-preservation.com/>. New reels are being added every year to this database.

Materials are intended for use in the McGilvray Room only, but special permission may be granted to use materials elsewhere in the building. For a more complete collection of local history materials, patrons are referred to the Monadnock Center for History and Culture.

The library also offers in-library access to Ancestry.com.

Research policies and McGilvray Room rules

The library staff is ready to assist patrons with the materials and research tools in the library, as time permits, and can make referrals to other collections and institutions. The staff are unable to provide extended research services for patrons.

Research requests may include but are not limited to newspaper article or obituary searches and searches of other local history materials. *Please note, the majority of the Peterborough Transcript and the Monadnock Ledger are not indexed or available digitally.*

In-person assistance will be given free of charge to patrons visiting the Library.

Library staff will conduct research for patrons who call, write, or e-mail with questions according to the following guidelines:

- Research requests requiring less than one hour of staff time to answer will be conducted free of charge. Questions requiring additional time to answer will be assessed a fee of \$20 per hour after the first hour, or \$5 per quarter hour, up to a maximum of 2 hours total.
- A Request for Staff Research form should be completed for each request. You can also download a PDF version of the research form if you would prefer to send it by mail.
- Patrons may indicate in advance how much time they are willing to pay for, or ask library staff to contact them after the first hour of research is complete for an estimate of how much more time will be required.
- Delivery: The above charges, if any, include up to five pages printed for free, including postage. Additional pages will be assessed a charge of \$0.20/page, plus postage. There is no charge for PDF or image files sent via e-mail.

- The staff will not conduct Federal Census or vital records searches (births, marriages, deaths). Patrons contacting the library hoping to have vital records sent to them are to be directed to the Peterborough Town Clerk's Office.

Device Policy Contract

To check out a Device:

Borrower must:

- be at least 18 years of age
- possess a valid license or other photo identification
- have a library account in good standing (no items overdue, lost or missing items or other restrictions).

Borrower must also agree to the terms set forth below:

1. Borrower will abide by the checkout periods for the borrowed Devices as follows:
 - a. Devices may be borrowed for up to, and including, 14 days. Devices may be renewed for one additional 14 day period, but only if there is no other patron with the item on reserve. Devices may not be renewed more than once.
2. Borrower agrees to return the Device on or before the due date. A late fee of \$2.00 per day, up to a total of \$26, will be charged for each day after the due date that the Device is not returned. Library staff will notify Borrower that the Device must be returned.
3. If the Device has not been returned within 14 days following the due date, it will be deemed "stolen." Library staff may file a report with the police reporting the theft of the Device. In addition, staff will send a bill to Borrower for the full replacement cost of the Device.
4. Peterborough Town Library staff will inspect the Device prior to releasing it to the Borrower to ensure that it is in usable condition and includes cords, cases, and any additional hardware. Borrower must sign an acknowledgement that the Device is in working condition.
5. Device must be returned in usable condition with all cords, cases, and hardware.
6. Device must be returned to Peterborough Town Library staff directly. It should not be left in a drop box or left unattended on the Circulation Desk. If the Device is left in the drop box, the Borrower will be charged \$25 for misuse of the Device.
7. Borrower assumes all responsibility for the Device, cords, its protective case, and any additional hardware. Please do not allow small children to play unsupervised with the device.
8. If the Device, the cords and/or the case or additional hardware are lost, stolen or damaged while in the possession of the Borrower, then Borrower agrees to pay the replacement cost.
9. Only apps downloaded by Peterborough Town Library staff may be used on the Devices unless otherwise notified. Patrons may submit app requests for review by library staff.

10. Borrower may not register, or attempt to register, any accounts with any library Device, except for email or Google accounts. Borrower is solely responsible for ensuring they log out of any and all accounts.

Borrower: _____

I state that I meet the conditions listed above, and hereby agree to the terms set forth herein regarding the all Library Devices.

I agree that the Library Device will be checked by library staff and confirmed to be in working order at the time of check-out. Materials Selection and Collection Development Policy

Purpose

The purpose of this Collection Development Policy is to establish guidelines for the development and management of the collections of the Peterborough Town Library. It provides guidance for the librarians, as they negotiate budget and space limitations, and work to build a collection of library materials that will meet and anticipate the needs of the Peterborough community. It also informs the public about the principles that govern the selection and removal of library materials and states the Library's position on intellectual freedom and censorship.

Intellectual Freedom

As a public institution committed to the principles of intellectual freedom, the Library supports each patron's fundamental right of access to all expressions of knowledge, creativity and intellectual activity and recognizes its obligation to provide as wide a spectrum of materials as possible. In practice, the choice of library materials by users is an individual matter. Parents and legal guardians retain responsibility for the reading/viewing/listening materials used by children and adolescents from the library collection. The Board of Trustees supports the American Library Association Bill of Rights and the American Library Association Freedom to Read Statement.

Authority and Responsibility

Ultimate responsibility for selection of library materials rests with the Library Director who operates within the framework of the policies determined by the Peterborough Town Library Board of Trustees and manages the materials budget. Under his or her direction, the selection is delegated to professional library staff who are assigned responsibility for selecting materials in prescribed subject areas, based on their own specialized knowledge and experience.

Selection Criteria

Library materials are selected with the purpose of carrying out the goals of the library. The librarians use a variety of resources to make their selections. These include trade journals such as Library Journal, School Library Journal, Booklist, and Publisher's Weekly, publisher's catalogs, newspapers and magazines, television, radio, online review sources and other review sources of a specialized nature may be used for specific collections. All staff and members of the public are encouraged to recommend materials for the collection.

The lack of a review or an unfavorable review shall not be the sole reason for rejecting a title, which is in demand. Consideration is, therefore, given to requests from library patrons and books discussed in public media.

Each selection is evaluated on its own merit and in relation to the collection as a whole, using some or all of the following criteria:

- a) Present and potential relevance to community needs

- b) Demand
- c) Relevance of subject, format, and reading level for the intended audience
- d) Literary and artistic merit
- e) Format is appropriate to library use and is not easily damaged
- f) Reputation and/or significance of author, publisher or producer
- g) Author or illustrator is local
- h) Positive reviews by critics, staff members and/or professional journals
- i) Diversity of viewpoint
- j) Enhances a specific collection in the library
- k) Within limits of budget for material

The Collections

Fiction

The fiction collection is designed to serve the reading interests of a highly diverse community. It includes bestsellers, contemporary fiction and classics as well as representative works of new authors and works from a variety of national and cultural traditions. Multiple copies are purchased based on budget allowances, popularity of the title, and patron demand.

Nonfiction

The nonfiction collection contains circulating materials in a wide range of subjects supporting the learning and information needs of library users. Included are books on job skill enhancement, self-help and individual growth, technology skills, cultural awareness, business and consumer information, community affairs, recreational pursuits and general knowledge.

Periodicals

Periodicals are purchased for adults, teens and children. The adult collection is comprised of newspapers, magazines and newsletters chosen to provide current and retrospective information on a wide range of special interests in the areas of health, hobbies, business and finance, sports, technology, entertainment and current events. Periodicals are retained for varying periods of time. Back issues of periodicals are in storage but readily available upon request.

Children's Print Collection

The Children's Collection is intended to encourage children to become lifelong readers and information seekers. It includes materials in a variety of formats with a broad range of reading levels. The primary users of the collection are children from infancy through 6th grade, their parents and caregivers, and their teachers.

Librarians select materials that children enjoy and which satisfy curiosity, stimulate intellectual development and support emotional growth.

Young Adult Print Collection

The Young Adult Collection is a browsing collection of popular materials for students in grades 6-12. It is designed to encourage teens to be readers and library users, as well as to attract other teens who have not frequented the library. "Hot topics" of instantaneous but short-lived interest are a strong influencing factor in purchasing for this collection.

Audiobooks

The Library collects audio books for adults, teens, and children, housed in their respective areas of the Library. Titles in this format are chosen for their appeal to a wide variety of interests. The collection contains fiction and nonfiction titles on a variety of subjects including language learning materials.

Downloadable eBooks and Audiobooks

The library is a member of the NH Downloadable Book Consortium facilitated by the NH State Library. The policies of this consortium govern the collection development practices of these items. A selection of thousands of eBooks and audiobooks are available.

Movies and Series

The library's film collection is primarily a browsing collection and includes both feature and nonfeature films, TV series, and specials. Films are selected for their intellectual and imaginative content and to reflect the varied backgrounds and other demographic and social issues of the community.

Databases

The library databases serve the information needs of library users and librarians alike, providing online access to databases covering a wide range of subjects, including health, current events, consumer information, teaching programs, foreign languages, and a variety of popular and academic topics. Library members may gain remote access to a number of these subscription databases.

Databases are evaluated annually based on user statistics and continued relevance to the community.

Local History

The library has a collection representing our important history as the first tax-supported free public library in the nation.

In addition to this collection, the library maintains a collection of secondary sources related to the history of towns in the Monadnock region and pertaining to New Hampshire. The library does not actively collect local history documents outside of Peterborough and works in collaboration with the Monadnock Center for History and Culture to provide research assistance and local history information to the public.

Materials Not Collected

Due to limited space and budgets; there are certain materials the Library does not collect:

- **Textbooks:** The Library does not buy textbooks used by the local schools, colleges or universities unless there is little or no material on the subject available in any other format.
- **Rare Books:** The Library is not an archival library, nor does it collect rare or unusual materials that require special handling. Many NH universities and colleges have rare book collections that can be accessed by the public.
- **Primary local history materials:** The Library encourages any primary materials and local history documents be coordinated with the Monadnock Center for History and Culture.
- **Abridgements:** The Library does not buy abridged books or audiobooks.

Interlibrary Loan

Due to limited space and budgets, the library cannot provide all materials that are requested. Therefore, interlibrary loan is used to obtain from other libraries those materials that are beyond the scope of this library's collection.

In return for utilizing interlibrary loan to satisfy the needs of our patrons, the Peterborough Town Library agrees to lend its print material to other libraries through the same interlibrary loan network, and to make an effort to have its current holdings listed in the NHU/PAC.

Gifts and Donations

The library accepts gifts of books and other materials with the understanding they will be added to the collection only if appropriate and needed. If they are not needed because of duplication, condition, or dated information the director can dispose of them as he/she sees fit. The same criteria of selection, which are applied to purchase materials, are applied to gifts.

By law the library is not allowed to appraise the value of donated materials, though it can provide an acknowledgment of receipt of the items if requested by the donors.

Collection Maintenance

The Library's collection is systematically evaluated to ensure that the materials remain current and in good condition and continue to reflect the needs of the Peterborough community. Statistical tools such as circulation reports and collection turnover rates help the selectors determine how the collection is being used and what items are candidates for discard, repair or replacement.

Library materials are discarded based on the following criteria:

- The information is obsolete or inaccurate

- The number of copies is no longer needed.
- The material is not being used.
- The material is damaged or in poor condition.

This ongoing process of weeding is the responsibility of the Library Director and is authorized by the Board of Trustees. Withdrawn material will be disposed of in an appropriate manner. Considerable effort is made to donate and recycle withdrawn books.

Requests for Reconsideration of a Work

The Peterborough Town Library believes it is the responsibility of the library to provide an open forum for the exchange of information, ideas, and viewpoints. We will not censor or remove materials because of the political, moral, philosophical, or religious views they present or because of the convictions or backgrounds of their creators. In selecting books and other materials for the library, we fully subscribe to the American Library Association's Library Bill of Rights and the Freedom to View statement.

Any Peterborough resident or Peterborough Town Library card holder who wishes to discuss the library's selection policies or to question the inclusion of a specific item in the library's collections is encouraged to contact the Library Director. The Patron Request for Reconsideration of a Work form should be included as part of any request to remove an item from the collection. Requests for reconsideration will be considered by the staff and by the Board of Trustees at the next regular meeting.

Review of Policy

This collection development policy will be evaluated and revised no less than once every five years.

Updated and approved by BOT on November 30, 2017.

Local History Collection Development Policy

Mission Statement

The purpose of the local history collection is to preserve the materials that document the history of Peterborough, and to a lesser extent, the surrounding Monadnock Region. Our local history collection educates community members by collecting, preserving, and providing access to materials that document the government, industry, commerce, organizations, civics, cultural life, religious life, and environment of our town and its inhabitants. Materials related to the general history of New Hampshire will also be maintained as space allows. All materials will be maintained and kept readily available to researchers and the public.

Collection Overview

The Local History Collection is located in closed stacks at the Peterborough Town Library. A catalog of our holdings is available online and the items are freely available to the public. The items do not circulate. Current strengths of the collection include the history of settlement and early history of Peterborough, local newspapers available in print, microfilm, and online, school yearbooks, records that document the military service of Peterborough residents, the history of select churches, and the history of the Peterborough Town Library. The majority of our items are secondary sources and published books.

Primary areas of collecting include, but are not necessarily limited to, the following:

- Materials that record the history, development, and current state of affairs of the Town of Peterborough.
- Personal manuscripts and other materials that record the history, experiences, and ancestry of Peterborough individuals and families.
- Published records or materials that chronicle the history of Peterborough organizations and institutions.
- Materials that record the social and cultural heritage of past and present, including religious organizations and service groups.
- Materials that contribute to a better understanding of the area's geography, environment, demographics, and architecture.
- Materials that record and provide context for understanding the lives of historically significant figures or events associated with the Town of Peterborough.
- Materials that provide instruction in the practice of genealogy, local history, preservation, oral history, and similar topics.

Selection Criteria

Consideration for inclusion will be based on the overall merit of the material and in its usefulness in understanding Peterborough's history.

Other factors include:

- Relevance to the history of Peterborough and surrounding areas.
- Suitability of the subject to the Local History Collection.
- Available space in the Library to house materials.
- Non-duplication of material within the collection or readily available online in resources such as Internet Archive.
- Authenticity and completeness of record.
- Quality of the physical form of material.
- Ease of use for patrons.
- Ability to store, display, or otherwise care for the item properly.
- Cost to preserve, store, and process.
- Security requirements to store and/or display.
- Lack of restrictions by donor. A signed deed of gift is required for donations.

Discarding Materials

The library reserves the right to the deaccession of materials no longer appropriate to the collection.

Criteria for Deaccession

The collections housed in the local historical collection have more permanent historic and cultural value and require separate special criteria to guide deaccession decisions. Physical space limitations, changing technology, and advances in preservation and digitization efforts require periodic reevaluation of the collection.

The following items should be permanently retained:

- First editions of local histories, biographies and fictional works by Peterborough authors.
- Original documents, pamphlets, brochures, other materials and maps created by organizations, businesses, and local groups to the Peterborough area.

This policy will be revisited when the library capital improvement project is complete. The Library Director will address issues of actively collecting items and ongoing effort to digitize primary materials.

Social Media Policy

Purpose

The Peterborough Town Library champions literacy and encourages life-long learning by providing resources that enrich, educate, and entertain. We strengthen our community by promoting connections between people, ideas, and knowledge. To help achieve our mission, the library utilizes social media to create welcoming and inviting online spaces where library users may interact with staff and other users while finding useful information relating to the library's activities and resources.

Goals

The goals of the library's social network sites are:

To inform the public about library and regional resources and activities.

To increase the public's use of those resources.

To provide additional communication with members of the public.

To provide reader's advisory services and encourage a love of reading and sharing.

Definitions

Social media is defined as any web application, site or account that facilitates the sharing of opinions and information about library related subjects and issues. It includes such formats as blogs, listserves and social networks.

Privacy/Parental Control

The library does not collect, maintain or otherwise use the personal information stored on any third-party site in any way other than to communicate library-related information to users on that site, unless granted express permission by users for library contact outside of that specific site. Users may remove themselves at any time from the library's social media site(s), or request that the library remove them. Users should be aware that third party websites have their own privacy policies and should proceed accordingly.

Users are encouraged to protect their privacy and avoid posting personally identifying information.

As with more traditional resources and the Internet, the library does not act in place of, nor in the absence of, a parent/guardian and is not responsible for enforcing any restrictions which a parent/guardian may place upon a minor's use of social media.

Liability

The Peterborough Town Library assumes no liability regarding any event or interaction that occurs between participants in any library-sponsored social media, and does not endorse content outside of pages maintained by the library and posts created by library staff in the course of their employment duties. By posting content, the user agrees to defend, indemnify and hold harmless the library and its trustees, employees and volunteers from and against all liabilities, claims, judgments, damages and costs (including attorney fees) incurred by any of them which arise out of or are related to post content.

Monitoring/Inappropriate Content/Removal/Appeal

The library uses social media to form connections with the public by encouraging conversations and the exchange of information online.

The library's social media forums are limited public forums. The library requires that users stay on topic and abide by the law, and reserves the right to modify or remove any messages or postings it deems, at its sole discretion, to be harassment, obscene, defamatory and/or threatening to any individual or group, that is purely commercial or represents organized political activity, in violation of copyright, trademark rights or other intellectual right of any third party, or otherwise inappropriate for the service. (This list is not exhaustive.)

Notwithstanding the foregoing, the library is not obligated to take any such actions, and will not be responsible for or liable for content posted by members of the public (see above: liability).

If any content is removed, the library staff will make explicit that an edit or removal of content has been made.

Any member of the public who wishes to contest modification or removal of postings should do so in writing to the library's Board of Trustees.
